About WISH

WISH is a highly regarded organization of women leaders in Arizona that promotes and supports women's and family health by offering evidence-based research, trusted resources and leading-edge educational opportunities.

What We Support

We pool our gifts and decide together how best to invest our collective funds in Banner Health programs important to women and their families.

Membership Details

WISH Membership | annual investment \$1,000

- Voting member at WISH Investment Meeting
- Invitations to all WISH luncheons, educational sessions and special events throughout the year
- Networking opportunities with women interested in health, disease prevention and care giving
- Educational sessions with experts in medicine, health care, and biomedical research
- Invitations to Banner Health Foundation signature events
- WISH quarterly e-newsletter
- Discounted ticket prices to WISH Events
- Invitation to Banner Health Foundation "Evening of Gratitude"

Turquoise Membership | annual investment \$1,500

- In addition to the membership benefits, enjoy a curated Banner "white coat" experience of your choosing based on your interests in medicine. These experiences may include meet and greets with a Banner physician, tours of world-class programs, and "behind the scenes" hospital experiences.
